

Ride On 1270mm Battery, Petrol, Diesel and LPG Powered Sweepers

Ride-on sweeper with dust control and variable high dump. Used for even the toughest industrial applications indoors or out, warehouses, parking areas, multi-storey car parks etc.

Available in Battery, LP gas, Petrol or Diesel versions.

The no tool broom adjustment is located in the driver compartment. This together with the no tool filter and side broom makes broom removal very operator friendly.

PRODUCT FACTS

- Heavy steel construction.
- Energy absorbing bumper.
- Three stage filter System.
- Head, tail and instrument lights.
- Clear control panel for easy operation.
- Electrical filter shaker.
- Power steering.
- 283 Litre capacity hopper.
- Adjustable seat for ergonomic operation.
