

## Robust and thorough cleaning, for all heavy duty applications

Nilfisk BA 755/855/755C is a range of professional scrubber/dryers covering all heavy-duty floor cleaning applications. This series is the perfect choice for large area cleaning such as shopping centres, airports, supermarkets, warehouses, factory floors and hospitals.

With different models available to choose from 71 to 81cm scrubbing path, and disc or cylindrical decks, productivity savings are guaranteed (decks are interchangeable without tools).

36V battery power, 114 litres water capacity and ECO Solution system extends running times and cleaning performances.

Soft-Touch paddle box and One-Touch scrubbing modes give added ergonomic features for heavy duty applications, offering you more value for your investment.

Even those floors that are subjected to the heaviest traffic and constant re-soiling are left clean and dry (and sweep, with cylindrical deck), ready for immediate use.

Models ending in C are cylindrical brush versions.

## PRODUCT FACTS

**CUSTOM FIT:** interchangeable scrub deck, 2 scrub sizes, disc or cylindrical. Wide variety of scrub brushes.

**HIGH PRODUCTIVITY:** Large scrub deck and squeegee, more than 114 litres capacity, ECO mode saving water and chemical.

**EXCELLENT CLEANING RESULTS:** up to 113kg brush pressure for heavy duty cleaning tasks, large and pendular squeegee system to recover dirty solution in all configurations.

**COMFORTABLE TO USE:** One touch control panel to activate all functions. Soft touch paddle system provides superior comfort and safety.
